

**BASKETBALL TOURNAMENT TO BE LARGEST EVER HELD**

The largest high school basketball tournament will be held in Lincoln, March 10, 11 and 12, when over two thousand Nebraska high school athletes are expected to gather to decide the basketball championships for 1921. Alliance will be among the schools represented at the tournament. Last year 170 high schools sent teams to Lincoln for the event and over two hundred quintets are expected to enter the event next March. A number of applications already have been received at the office of Director Fred W. Luehring at the University of Nebraska.

Winners of last year's tournament in the various classes follow: Class A, Lincoln Class B, Superior; Class C, Havelock; Class D, Kimball county; Class E, Benson; Class F, Aurora; Class G, Genoa; Class I, Milford; Class J, Teachers' College high school; Class K, Cortland.

D. F. Sweet, former fiscal agent of the Alliance Packing company, which was dissolved by a vote of the stockholders of the corporation a few weeks ago, has made arrangement with the Mountain States Packing company of Denver, which has recently assimilated the K. & B. and the Denver Packing and Provision company, and is now floating a \$5,000,000 stock issue. Mr. Sweet has been given charge of a block of territory in the stock selling campaign, and as soon as the weather permits, will leave for Denver to take charge of the campaign in his territory in person. The new company proposes to erect a two million dollar plant in Denver, and the president of the new concern is Charles F. Kamrath, the man who built the Skinner Packing plant in Omaha, recognized as the most modern of any in the country. Mr. Sweet made a number of good friends in Alliance and Box Butte county, who will be pleased to hear of any good fortune that comes his way.

The claim that the best glue in the world is made from the skins of fish will never be disputed by anybody who has tried to skin a bullhead.

Judging from some of the fermented materials that people are drinking nowadays it wouldn't be a bad idea to put a lock on the silo.

Life terms for gunmen ought scarcely to strike them as unfair. They administer the death penalty to those they convict of being in their way.

A New Orleans judge has decided that the police cannot bar women from prize fights, and so the equalization of the sexes goes merrily on.

Newport, the luxurious summer home of American millionaires, wants cheaper pie. So do the incongruities of life knock against one another.

To the business man, retail or wholesale; to the manufacturer; to the commission man; to the trucking company, the Ford Model T One Ton Truck makes an irresistible appeal because it has in its chassis all the merits of the original Ford car; the wonderful Ford Model T Motor, the dependable Vanadium steel chassis, and the manganese bronze worm-drive. A strongly built truck that serves satisfactorily and lasts in service. If these statements were not true, the demand for Ford Trucks wouldn't be so constantly on the increase. We will be pleased to take your order for one or more Ford Trucks, will see that you get reasonably prompt delivery, and will give you an after service that insures the constant service of the Truck. But don't wait too long. Get your order in promptly.
